Extend your stay

Thursday 01 for just £35pp

Hot Cross Buns

Nightly Entertainment

Spring Sun & Fun

The symbol the Egg has been used by many religions over the ages. To the Egyptians it was a sacred token of the renovation of mankind after the flood, to the Jews it marks their departure from Egypt and to the Romans a symbol of life.

Why did the Easter Egg hide?

Because he was a little chicken!

Treat someone and give them exclusive hand-made chocolates presented in the hotel's embossed box. Enquire for details.
