

THE SHANKLIN HOTEL PRESENTS

Sounds of the 60's

They say that you don't remember The Sixties if you lived through them, so the Shanklin Hotel is proud to present 3 nights of entertainment to bring back the decade that changed the world! A weekend of swinging sounds and groovy beats, featuring some of the best acts in the country. It's time to search the back of your wardrobes for your drainpipes and winkle pickers, dig out your Mary Quant a-line and discover your inner flower power as we take you back to when you were young, free and single...

friday 26th february

Arrive in the afternoon and settle comfortably in to the hotel.

Dinner will be served in the Starlite Room, the venue for tonight's star act.

Your host for the weekend will be **Dave Cannon** – an Island icon since the 60s – who will compere, spin the discs and introduce the superb acts lined up for the weekend.

Tonight we bring you none other than **elvin priestley**. The name sounds familiar, the face is familiar and the voice is the nearest we know to the King's. With the very presence of Elvis in every move, his look is incredible. This is one fully packed mega star-studded show! Ladies and Gentleman – Elvin has entered the Shanklin Hotel.

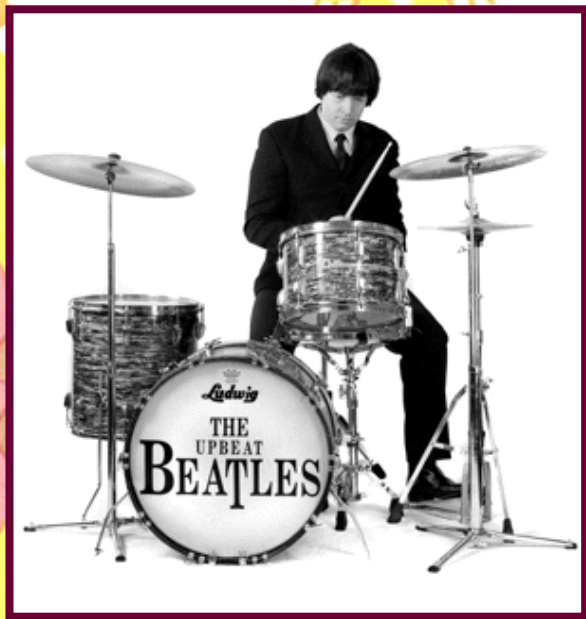

saturday 27th february

Spend the day exploring our wonderful Island before returning to prepare for the night ahead. And what a night there is in store...

Imagine it's 1963 and there's a show at your local theatre. Appearing on the bill with Helen Shapiro, Chris Montez and Bobby Vee is a new band with only one hit under their belts – The Beatles! There isn't a band to touch them. After all the one nighters in Liverpool and the long residences in Hamburg, the hard work is finally paying off and they blow the audience away with their sound – a fabulous cocktail of early Motown, Blues, Rock 'n' Roll and original material!

Appearing at the Shanklin Hotel for one night only –
the upbeat beatles.

Raw powerhouse vocals, breathtaking harmonies and punchy tight musicianship – and in a world of The Beatles tribute bands, there isn't a band to touch them!

sunday 28th february

Watch the best decade of the 20th Century come alive. Tonight is nostalgia night with Solent City Sounds. An audio-visual extravaganza, with film reels, sights and sounds of the 60's, let Dave take you back in time. Do you remember when Kennedy was shot, when Marilyn died or Mandela was jailed for life? How about the Profumo affair, beehive hair-dos, Dusty's panda eyes and when popping a pill prevented pregnancy?! The golden year of 66 when England won the World Cup and Twiggy was the face of fashion?

So dress to impress, twist the night away and relive the decade that shaped a generation.
